

Android on SMARC

This is the home of the Android on SMARC space. From these links you will find quick instructions for getting Android running on these SMARC development boards.

SMARC Development Boards:

- [EVK-SMARC-T335X](#)

Texas Instrument:

- [Android 4.4 Kitkat on SMARC T335X](#)

Freescale:

- [SMARC-FiMX6 \(smarc-m6.0.1_2.1.0-ga\)](#)
